

distrophonix

Thank you for choosing Distrophonix to mix your recording. We know that you have put a lot of time and effort into your recording. Our goal is to work with you to make your final mix is as amazing as possible. We put the same amount of care and effort into the mixing process as you do into your recording. With that in mind, we ask that you send us any special instructions you may have for your project so we can make sure we meet your expectations.

We have a policy here at Distrophonix, “it isn’t done, until it is done right”. If you get your final mix back from us and you would like something changed just let us know. We want to make sure that you are 100% happy with your Distrophonix experience.

We would like to thank you once again for your business. In the following pages, you will find a checklist, info form, and payment information. Please send these pages in with your tracks on CDr. If you have any questions, please do not hesitate to call anytime. We are always here to help you.

Best Wishes!
